BAY ST. LOUIS, MISS., FRIDAY, JUNE 10, 1938.

CITY GIVES AUTHORITY FOR SURVEY AS PRELIMINARY TO NATURAL GAS FOR CITY OF BAY ST. LOUIS

At Meeting Monday Morning Resolution Adopted Authorizing F. P. Joseph to Proceed in Matter—Contract For Services Adopted—Terms of Payment—Bonds Will Be Self-Liquidating.

At the regular June meeting of the Board of Mayor and City Commissioners of Bay St. Louis held at the City Hall Monday morning, the board accepted the proposition of E. P. Joseph, consulting engineer of Glenmora, Rapides Parish, La., in respect to the design of proposed improvements consisting of natural gas transmission and distribution systems within the city of Bay St. Louis.

The resolution and contract calls for a fee for the engineer of seven percent of the amount of bonds voted to construct the proposed public utility of natural gas, and the duties of the engineer, quoted in the resolution adopted, are best described in the paragraphs herewith:

"The said F. P. Joseph, consulting engineer, shall prepare preliminary estimates and layouts wherever necessary and shall prepare complete plans and specifications for said city when an election shall have been carried authorizing the issuance of bonds. He shall make necessary engineering surveys, plans and maps, ground layouts, measurements and machinery and equipment prints, conduct quantity surveys and investigations, be present and assist the Mayor and Board of Commissioners to tabulate bids in interpret proposals for them, secure reputable bidders and prepare proper bond and contract forms to thoroughly protect the city as far as engineering skill and science may direct.

"He shall prepare monthly estimates as the work progresses, submit same to the city for payment of the contract, supervise the general construction of the improvements assuring the city a first-class job in every respect, and do such other things as may be required of a consulting engineer. These services are not to be construed to include the rights of way, which is understood to be a project cost."

Engineer Joseph is to be paid 50 percent of the fee when the bonds are sold and the money deposited to the credit of the city of Bay St. Louis.

(2) Twenty-five per cent shall be paid when contracts are let for machinery and equipment to be paid when machinery, materials or equipment are delivered to said city.

(4) Ten per cent shall be paid when the work of fifty per cent complete.

(5) Two and one-half per cent shall be paid when the work is seventy-five per cent complete.

(6) Two and one-half per cent shall be paid when the work has been completed.

The city adopted the resolution authorizing Mr. Joseph to go ahead with preliminary (and subsequent) proceedings and also entered into contract with the engineer under terms as published hereinabove.

This done, the city has gone as far as possible for the present in the matter of procuring natural gas. Armed with this authority and definite assurance on the part of the city, Mr. Joseph has gone to Louisiana to best of negotiating for gas.

—To the best advantage of the city of Bay St. Louis in order users may have the best service at minimum cost.

This secured, Mr. Joseph advises, he will proceed with the survey and in turn an election for proposed bond issue will be called and voted. Should the election carry, bonds sold and money deposited in the bank definite proceedings for "gas for Bay St. Louis" will follow.

The proposed bonds will be self-liquidating and not as an ad valorem obligation of the city's tax-payers.

Coast Grand Jury Will Investigate 3 Murder Charges.

Three murder cases await investigation by the Harrison county grand jury which convenes at Gulfport for circuit court on Monday. These are:

Samuel D. Bustin, World War veteran, charged with the fatal stabbing of J. W. Crigler at Mississippi City last month.

Clifton Scarborough, charged with the fatal shooting a few weeks ago of Wyatt Read at Woodmarket.

Louis Dedaux, DeLisle negro, charged with the slaying of his brother, Leroy, in an argument about a cigarette.

TO BUILD SCHOOL FOR COLORED

Seventeen-Thousand Dollar Structure to Replace Present Valena C. Jones City School.

On Monday morning, according to orders from Engineer Young, WPA project worker, task of demolishing the present structure of the city colored school, known as the Valena C. Jones, will start and the structure that has stood for many years will be completely razed to the ground.

In its stead WPA funds in the amount of \$17,000.00 will construct a new one-story frame building, with a front measurement of 207 feet, wider than the Central-High School building, by a depth of 138 feet. The auditorium, back of the main building, will measure approximately 47x80 and will comfortably seat 500 people.

The school building proper will contain ten rooms and office space. The building will set reverse from the position of the present structure which now faces St. Francis street. The front will face the Old Spanish Trail and set back from the sidewalk line at considerable distance. Entrance from the rear will be from St. Francis street.

Architect is Vincent Smith, of Gulfport. This project has been majorized thru the direct activities of the City Board of Mayor and Commissioners, members of the Board of City School Trustees, City Superintendent of Schools S. J. Ingram actively co-operating. It has been a long and hard pull but by the concerted action of these gentlemen, individually and collectively, it has become well nigh an accomplishment.

It will require a while to construct this massive building and in the meantime classes will be held in private halls of fraternal organizations of the city.

Members of Board of School Trustees are Dr. Jas. A. Evans, president; Mrs. C. C. McDonald, secretary; W. R. Cagle, Walter J. Gex, John Damborino.

Attorney Walter J. Gex, Jr., was guest speaker at the meeting of the Rotary Club, Hotel Reed, Wednesday. He discussed the "Functions and Purposes of the Seafood Commission." Mr. Gex is a member of the Seafood Commission, recently appointed by Gov. Hugh White to fill the vacancy caused by the death of Dr. D. H. Ward. The speaker opened his remarks with an explanation of the formation and workings of the Commission. He stated that members were appointed by the Governor for terms of five years, and receive \$10.00 and mileage per meeting, with a limit of 60 meetings per year.

Mr. Gex said, "under the law the Commission has full authority to control and regulate the dredging and tonging of oysters, and absolute control over all salt water fish." It is the duty of Commission, he continued, to adopt and enforce regulations that will conserve the supply of oysters and protect the interest of all concerned in the shrimp and oyster industry. The industry, he stated was very important to the Mississippi Gulf Coast, employing over 2,000 men, involving millions of dollars in returns to this section annually.

The speaker brought out some were under the opinion that the commission took a few pleasure "rides" in the lake, with no work involved. He branded this as a false impression, stating that it was the duty of the Commission to visit the oyster reefs regularly, and examine their condition. He explained that dredging was not allowed on certain reefs, some were retained for "tonging only." It was the duty of the Commission's patrol boat to enforce these and other regulations.

REPRESENTATIVE GEX ADDRESSES LUNCHEON CLUB MEMBERS

Tells of Legislature and Says Governor White Will Go Down in History as Greatest of All Governors.

Representative Lucien M. Gex, was guest speaker at the regular meeting of the Rotary Club Wednesday of last week. He discussed the "Highlights of the Recent Session of the State Legislature," opening his remarks with a brief summary of the workings of the Legislature. He told of the procedure followed in introducing bills, committee discussions and finally, the presentation of bills before the house for debate. He praised the set-up in the legislative branch of our state government, stating that the House acted as a check upon the Senate, in turn the Senate a check upon the House, and in the final analysis the Governor through the veto power was a check on both bodies.

Representative Gex considered the bill authorizing the expenditure of forty million dollars on roads, and twenty million refunding bonds as the most constructive legislation passed at the recent session. He described this bill as far reaching in its effects upon the development of the entire state. The hottest fight he continued, centered around charges filed in the house against Land Commissioner Moore. This he explained was settled by the resignation of the aged Commissioner. The creation of a Parkway Commission for Harrison County was mentioned as one of the major bills affecting this section. This will make it possible for the beautification of the beach drive, and add another link of pavement along seawall.

In conclusion, Representative Gex praised the work of the Governor and the legislature, stating that the Legislature would go down in history as the greatest, along with Hugh White, as the greatest Governor of all time.

SISTER MARY, ST. JOSEPH CONVENT IS LAID TO REST

Nee Emilie Marie Guillemet, Aged 79, Passes Away Friday Afternoon After Long Illness.

Ailing over a long period of time from a stomach malady, which condition took a sudden change a few days previous to her passing, Sister Mary of the Annunciation, nee Emilie Marie Guillemet, died at St. Joseph Convent, Bay St. Louis Friday afternoon, June 3, 1938.

Born in France, April 13, 1859, Sister Mary was 79 years of age. She was a daughter of John Francis Guillemet and Jeanne Marie Massonet.

She came to this country in 1891 following an edict from the anti-religious government element of France, accompanied by a number of other nuns, one of the number coming to Bay St. Louis was Sister Claire, who later became mother Superior of St. Joseph Academy and convent until a few years ago was appointed to New Roads, La., where she holds the same title as Mother Superior. Both nuns had been in Bay St. Louis ever since their arrival in America.

Funeral services for Sister Mary was held Saturday morning, 11 o'clock, at the church of Our Lady of the Gulf, with interment in the burial plot of Sisters of St. Joseph, St. Mary's cemetery, Bay St. Louis.

The Very Rev. A. J. Gmelch, pastor, officiated at the church and the Rev. Leo F. Fahey conducted the consignment ceremony at the cemetery. Members of the clergy and religious orders and friends of the community attended the funeral as a final tribute to this good woman who had served the religion well and for so many years the cause she espoused.

Sister Mary taught here for many years until late when she relinquished the class room duties to advancing years and ill health.

ATTEND SAINT MARGARET'S DAUGHTERS' CONVENTION.

Mrs. G. V. Blaize, president local circle St. Margaret's Daughters, accompanied by Mrs. C. A. Gordon and Mrs. J. W. Jacobs, attended the 3-day convention at New Orleans of the order, which adjourned Monday after a successful meeting.

The report of Bay St. Louis Circle, No. 88, was received with unanimous applause, said to be one of the best presented to the convention. This report shows a year of active work and disbursement of large sums for charitable work, an account of which, in detail, is published elsewhere in this issue of The Echo.

AUTO ACCIDENT WEST OF BAY SAINT LOUIS SUNDAY A. M.

Party of Young Ladies on Outing From New Orleans Victims.

Agnes Saacks, 15, of New Orleans, was seriously injured Sunday morning when the automobile in which she was a passenger overturned in a ditch 10 miles west of Bay St. Louis, on the Old Spanish Trail. Five other persons in the car were also injured. The party was en route to Ocean Springs.

At New Orleans Charity Hospital, where Miss Saacks was taken, doctors said her pelvis and left leg were fractured and that she suffered many lacerations and bruises.

Others Injured
Others injured were August Solbach, 19, 2484 Galidulus street, driver of the car, general conclusions and abrasions and contusions of the right shoulder; Miss June Roccaforte, 15, 705 Tricot street, a step-sister of Miss Saacks, possible fracture of the right wrist; Charles Fielding, 23, 2071 Gladiolus street, general contusions and lacerations and Miss Henrietta O'Hara, 15, 2432 Rousseau street, lacerations of the scalp, all of New Orleans.

Fielding, Bonemer and Messrs. Saacks and O'Hara were conveyed to New Orleans by Fahey ambulance of Bay St. Louis, the other two by a passing motorist. A doctor and nurse, passing by a time of the accident, stopped and administered first aid treatment.

Cause Not Explained.

Solbach, owner of the car that was demolished, said he did not know how the accident happened. "I was driving along when all of a sudden we left the road and turned over," he said.

Fielding also said that he could not explain how the car left the road. He said that Solbach was "driving about 35 miles an hour" and that the next thing he knew they were in the ditch. "I don't remember anything after that," he said.

DR. M. J. WOLFE SOLICITING FUNDS FOR RESUSCITATOR

Striving to Raise Four Hundred Dollars to Purchase Machine for Public Use.

Realizing the necessity and importance, in case of emergency of a resuscitator for public use in Bay St. Louis, Dr. M. J. Wolfe instituted a drive this week for funds whereby such purchase might be made.

The cost of a resuscitator, inhalator and aspirator is \$400.00 and the plan is to raise the money by popular subscription, from \$1.00 up per contributor.

This type of resuscitator proposed is said to be fool-proof, automatic in its action and simple to use. It will be placed at the local hospital, and its application in case of emergency will be made known to members of the hospital staff, members of the city fire department and members of city police, Dr. Wolfe said.

Tried and tested, the machine is the last word of invention. Bay St. Louis and vicinity, resort section where many people frequent the waters, has an acute need for this equipment. It may be used for many other purposes in addition to victims of near drowning. Victims of gas, amonia and other fumes; victims of asthmatic and other kindred ailments in time of accident will find benefit and possibly a life saved.

Dr. Wolfe has been quite successful, so far, and will continue the drive for funds until the required sum will have been collected. Your aid is solicited. Telephone or get in touch with Dr. Wolfe today.

Bay St. Louis Colored Young Man Nationally Known for Sculpture.

New Orleans Times-Picayune of Sunday, May 29, under head of "Pen, Chisel and Brush," by W. M. Darling, carries a paragraph of local interest since the subject is a native of Bay St. Louis, belonging to the colored race.

Richard Barthel's mother lives in Bay St. Louis and her son visits here when the opportunity presents. He is connected with the Rochons and other well-known names of the local race.

Mr. Darling, one of the editors of the Times-Picayune, has this comment of Barthel's work as a sculptor, whose first work of art was painting which he has practically abandoned for the plastic figures. He says:

SNOW WHITE AT GULF

Theater—Walt Disney's 1st Full Length Cartoon to Arrive For Fifth Showing in Entire South

A new star will appear at the Gulf Theater Saturday, Sunday and Monday of this week, but one you will never see again. She was created only for "Snow White and the Seven Dwarfs," and for that picture alone. Her name is Snow White, a sweeter, more lovable character never existed, and with her friends the seven dwarfs we are sure she will win your whole hearted admiration.

The Dwarfs are very comical and most original. "Doc" is the self-appointed leader of the group is a grand scout as you will see. Happy is always full of fun with his beaming smile. Sneezy has hay fever, through no fault of his. Sleepy is forever tired and lives up to his name. Bashful holds a secret love for Snow White, but who can blame him. Grumpy is the woman hater and the real leader of the troupe, which doesn't bother "doc." Last but not least we come to Dopey, he isn't sure he can talk because he never tried, but he is sly and inclined to be mischievous.

The story of Snow White is an adaptation from the well known Grimm Fairytale by the same name and has been animated by over a thousand artists in Walt Disney's first full length feature cartoon, coming to the Gulf Theater at Waveland for three days starting Saturday.

With the production of "Snow White and the Seven Dwarfs," Walt Disney has realized the dream of a life time. Ever since that day back in Kansas City when he created the well known Mickey Mouse, he has been planning such a production, until finally in 1934 the actual work was begun. The finished feature consists of something like 250,000 drawings but there were over two million made, while the orchestra is provided by a group of eighty musicians. In all, the cost of producing "Snow White" entailed an amount of over \$1,500,000.

The new multiplace camera was a great help in bringing out the color which lends so much to the film. The various hues which compose morning 'til night are marvelously blended from one into the other, with many glorious effects.

Along with Snow White and the Seven Dwarfs, there is of course the villain, who is none other than the wicked queen, who attempts to have the young girl killed because she is by far the lovelier. The scene where she changes into the witch is one of the high lights of the picture. The head huntsman is also brought in, with several others as a background. Many forest animals are seen throughout the film and add quite a bit to it.

"Snow White," coming to the Gulf Theater tomorrow for three days, is released through the RKO Radio Studios and is more than just a cartoon; it is a picture that will take you back to your childhood days that were alive with folklore and fairies. It is a grand show, and one we feel sure you will not miss. This is only the second showing on the coast and the fifth in the entire south. See it at the Gulf.

Times last week of the singularly expressive "African Dancer" by Richard Barthel, which is in the permanent collection of the Whitney Museum of American Art, recalls the long list of pieces this 37-year-old Bay St. Louis-born negro sculptor has contributed to galleries here and abroad. He is represented in the Lake County Children's Home, Gary, Ind., Armstrong High School, Richmond, Va.; the University of Wisconsin; the Anson Phelps Stokes Foundation collection; the New Theater, London, Eng., and in Rumania, Germany, Austria, Virgin Islands and Africa. The Whitney Museum has also two bronzes, "Blackberry Woman" and "Harmonica Player."

St. Stanislaus College, Bay St. Louis, completing its 84th annual session, on Sunday last presented diplomas to 39 graduates, scholarship medals, eighth grade certificates, gold medals, etc. The occasion was the annual commencement exercises, when the Very Rev. Harold A. Gaudin, president Loyola University of the South, delivered the address to the graduates. The Very Rev. A. J. Gmelch, delivered diplomas to the graduates, President Brother William was master of ceremonies.

Lee Grevenberg was valedictorian and Julio Mijares salutatorian. The Glee Club rendered pleasing numbers and St. Stanislaus Band discoursed music for the occasion, directed by Brother Romald.

Following is a list of awards, as indicated:

NATURAL GAS FOR CITY AT HAND.

WITH the adoption of a certain resolution and signing of contract authorizing F. P. Joseph to proceed in his negotiations to introduce gas to Bay St. Louis for industrial and domestic purposes, by the city council Monday morning, it is apparent and registers that the first step in this all-important enterprise for the city has been accomplished.

It has been the cherished hope of Mayor G. Y. Blazie and others of the city for a long time to supply this city with gas in order not only that home residents may enjoy the advantages but that outsiders seeking to locate here, either permanently or for a season, may be further induced. Natural gas for this section has been a "long-felt want" and its absence has cost the city much in the way of increased population, has retarded the advancement of realty value and in general fact proved a detriment to a more and rapid advancement.

Mr. Joseph, consulting engineer, in charge of the project, tells The Echo, that now armed with authority he will be in Houston this week, negotiating with the United Gas Company, for supply of gas before entering further into the project or making the preliminary survey. He will confer with the united company of several gas interests to determine from what field or point of vantage gas may be best served to this section.

From all appearance, the city heartily co-operating, and backed by the Rotary Club and both city and county officials and business men in assembly, it is manifest Bay St. Louis is on the eve of procuring natural gas. Well may it be exulted, At Last!

Louis Cashman, publisher of the Vicksburg Post, was elected president of the Mississippi State Press Association at the final session Saturday of the 72nd annual convention at Gulfport.

NERO WAS A PIKER.

HE burned Rome just once. There's a Fire-Bug in Mississippi who works a this mischief all the year-round. He never rests. There's nobody to stop him. Day after day, night after night, his torch flares in all part of the state. He strikes swiftly, mercilessly, continuously. He might as well bring his fiddle to his wild parties, for there is little to protect his innocent pray. It is as though he held a license to kill, steal, terrorize and destroy. There is no even a seasonal restriction—no holiday from his flame.

Mississippi's Nero is a wood-burning monster. A \$50,000,000 forest kingdom is the happy hunting ground for this restless destroyer. Every year he takes a toll of \$10,000,000 from an industry that pays 30,000 Mississippians \$25,000,000 in wages and salaries—an industry with a greater valuation than the total assessed values of the richest, most populous county in the state—an industry that in normal times represents an investment of \$100,000,000, and now stand on the threshold of untold possibilities.

No sensible person would operate a business without fire insurance. Yet Mississippi's great forest wealth is not an insurable risk. Every populous community takes fire protection for granted. Yet the state's great timber tracts are exposed to fire hazards of every conceivable kind.

That condition will exist just as long as the state permits its red devastator to go unchecked.

It is a safe bet Congressman Colmer will not renew his subscription to the esteemed Pica-yune Item. Editor Furr certainly ripped our friend up the back in a front page editorial last week for Bill's vote on the wage and hour bill.

THE ONLY REGRET.

THE Nation's Business, official magazine of the United States Chamber of Commerce, carries a lengthy article by Senator Pat Harrison under the caption of "A Streamlined Tax Program." The leadership of the big Mississippi is pleasing to business and industry—and the only present regret, says the West Point Times-Leader, is that he is not now in the White House.

It is well to remember that goodness is its own reward.

There seems to be an unlimited demand for trashy magazines.

There are men who would jump out of their graves if they could see the bathing suits being worn by their grand-daughters in 1938.

It's a good thing that the average American grumbling about taxes in 1938, cannot get a look at the tax bills that he will be paying in 1948.

Advice to graduates: "The world is not looking for the bright young man—it is sitting back and waiting for the bright young man to show himself."

The probability is that the professions will gain in dignity and honor in the next fifty years, but they will render greater public service in the future than they have in the past.

EXTRAORDINARY SESSION LEGISLATURE.

GOV. Hugh L. White has called an extraordinary session of the Mississippi legislature to consider his proposal to exempt all taxes from Mississippi homesteads for Monday, June 27.

After studying surveys of local government financial structures Gov. White said the surveys disclosed that the annual loss to the state's 82 counties, 300 municipalities and various taxing districts from exemptions on an 80-acre basis would amount to approximately \$3,372,000 annually. Homesteads up to \$2,500 already are exempt from state ad valorem taxes.

The governor said he proposed to recommend to the legislature a direct appropriation to offset the loss in revenue to counties, municipalities and other taxing districts. He said the appropriation could be made by levying of an additional one cent tax on cigarettes and maintenance of the state ad valorem tax at the six-mill level. The current cigarette tax is three cents on a 15-cent package.

Announcing the date for the session, Governor White said:

"I am ready to issue the call now, but I think it will take about three weeks for the bill to be correctly prepared. There may be some other figures to come into the picture when the complete tabulation is finished.

"Complete homestead exemption will place Mississippi, and it certainly will bring relief where relief is needed. If my recommendation becomes law it will mark the first time that any state in the union has given complete, honest exemption."

Gov. White promised the people of Mississippi homestead exemption and regardless of the prediction that it cannot be accomplished, it is plain the chief executive is going to put his plan into execution and that it is going to work.

Mississippi will be the first State in the union to make all homesteads tax free. It was the first State to create the sales tax collection. How well it has succeeded record speaks for itself.

SENDING OUT OF TOWN FOR PRINTING.

THE ECHO has ever been an advocate of the buy-at-home practice, believing in the creed because it is basically right.

Our grocers, merchants, store keepers and others pay taxes, support the town, contribute to every public cause and espouse every movement calculated to prove to the best interest of the community.

We buy bread baked out-of-town while we have bakeries of our own; we send laundry out of town while we have laundries or our town employing home labor; we send printing out of town when local stores depend on local trade and while we have a better-equipped printing plant in Bay St. Louis. We buy out-of-town newspapers that do comparatively little or nothing for our community, while, in fact, we fail to subscribe or pay for our own home newspaper, The Sea Coast Echo.

We buy almost anything away and patronize out-of-town firms who do not contribute 5 cents to the betterment of Bay St. Louis.

A large per centage of delivery trucks, operating on our streets are from out of town—New Orleans and especially from other sections of the Gulf Coast, in a different county. They contribute nothing here.

Then how do we expect to build up the community; to make it self-dependent and self-sustaining?

Coming to our notice are two printed statements from local firms, presented the Echo, wherein the publisher and printer is debtor. Both statements carried the imprint of a Meridian printing house!

We cannot say we relish our money sent away to Meridian while we and others spend it at home—at the local stores.

CONGREGATION MAY FISH ON SUNDAY.

MEMBERS of the Butte, Montana, United Congregational Church can fish on Sunday with a clear conscience if they have attended services on Wednesday.

"My congregation and I want to do some fishing this year, but we want to go to church," explained the Rev. Emerson W. Harris, pastor, "so for the rest of the summer we'll hold our regular services on Wednesday evening instead of Sunday morning."

SPY LIBERATED TO BECOME NUN.

A FRENCH girl convicted of spying for Germany during the World War and sentenced to life imprisonment was liberated at Rennes, France, when she promised to become a Nun.

Marie Ducret, who entered prison in 1918 at the age of 22, walked out of Rennes prison accompanied by a sister from a convent at Ecommy where she will prepare to take her vows.

A military tribunal condemned the girl to death, but her sentence was commuted to life imprisonment at hard labor.

COLMER PRAISES COAST YOUTH.

REPRESENTATIVE Colmer (D-Miss.) praised in the House the record of John E. Dacey, Jr., Biloxi, Miss., honor man of the 1938 Annapolis graduating class.

Colmer said he was proud of having appointed him to the Naval Academy.

"That he will not fail his country as he has not failed his parents and instructors is quite evident," Colmer said. "Surely the chances that he will be an admiral are better than ever."

Mississippi boys who will graduate from West Point (N. Y.) on June 14 include: Frank Hartman of Brookhaven; George W. Rhyme, Pass Christian; Desloes Brown, Pass Christian; James W. Rhymes, Laurel; Frank Sturdivant, Minter City; Wallace S. Ford, of Hattiesburg.

WHAT THE PRESS IS SAYING OF MEN AND MATTERS IN EDITORIAL EXPRESSION

MORE TRUTH THAN POETRY.

(McComb Enterprise.)

A West Virginia editor published the following written request:

PLEASE send me a few copies of your newspaper containing the obituary of my aunt. Also publish the enclosed clipping of the marriage of my niece. And I wish you would mention in your local column, if it doesn't cost anything, that I have two bull calves for sale, and our church is having an ice cream supper; tickets 25c. As my subscription is out please stop the paper, as times are too hard to waste money on a newspaper.

Oh, yes, it costs money to publish a newspaper. Lots of it. More than most people faintly realize. Yet editors go right on, willingly, gladly, zealously serving a public that must be served. The reader above described, however, was a little unusual, we must admit.

AFTER A TOGA

(Jackson News)

SENATOR James Noe, Louisiana, who served out the unexpired term of Huey Long, announces that he is going to run for the United States Senate in 1940, and that the chief plank in his platform will be advocacy or repeal of the retail sales tax just enacted by the state legislature.

All right, Senator Noe, if you want to run for the Senate, that's your business. Even our own Senator Frank H. Peachtree-Saleman-Statesman Harper has been known to do it.

But, Senator Noe, wouldn't it be better to first give the retail sales tax a fair working test?

Also, what has the United States Senate to do with a retail sales tax in Louisiana?

Why not also plank advocating more and better bullfrogs in the swamps of Louisiana, longer bodies and shorter tails of the Barataria shrimp and self-opening oysters in Bayou Cook?

INTERESTING NEWS ITEMS OF THE MOVIES AND FILM FOLK IN HOLLYWOOD

A PICTURE called "Titanic," and based on the disaster which befell the ship of that name, will be made next fall.

"Port of Seven Seas" has not been released because the distributors are afraid of what the censors may say.

Charles Winninger and Isabel Jeanes have been cast as the father and mother in the Dick Powell-Olivia de Havilland picture, "For Lovers Only."

When Nelson Eddy finishes "Sweethearts" with Jeanette MacDonald, he is to be teamed with Ilona Massey in "Love Carnival."

"Dark Victory," the play in which Talullah Bankhead appeared on the stage, has been bought as a screen vehicle for Miriam Hopkins.

"Bulldog Drummond in Africa" will have a few changes in the cast from that of the former stories. Heather Angel will be substituted for Louise Campbell and H. B. Warner will take John Barrymore's role as Inspector. John Howard, E. E. Clive and Reginald Denny will again be in the cast.

Howard Hill, the archery expert who doubled for Errol Flynn in "Robin Hood," is to be starred in a Pete Smith short called "Follow the Arrow."

Helen Hayes has announced that she is willing to return to the screen if a suitable story can be found for her.

"Boys' Hour" has started production. Father Edward J. Flanagan, founder of the Youth's Colony in Omaha, has been engaged as technical advisor and two boys from the colony, Andy and Jimmy Cain, will appear in the film with Mickey Rooney.

James Stuart will co-star with Carole Lombard in a screen adaptation of Rose Farnkin's "Of Great Riches." It will be re-titled "Made For Each Other."

John Barrymore is to have the part of Casca in "Zaza," in which Isa Miranda will star.

Charles Dickens' "Christmas Carol" is to be made this summer for release during the Christmas season. Lionel Barrymore who has read the story over the radio for the last four years, will play the part of Scrooge.

Anita Louise is to have the part of Fay Bainter's sister in Lloyd Douglas' "Forgive Us Our Trespases."

Alice Faye is to be featured in a new version of "Little Old New York." It was made as a silent picture in 1924, starring Marion Davies.

The largest amount ever paid to get a movie man off the job was \$513,000 which was given to Harold B. Franklin for his resignation from the management of the Fox West Coast Theatres in 1930.

MGM is spending about one million dollars on "The Great Waltz," a musical play based on the life of John Strauss. Fernand Gravet and Louise Rainer have the leading dramatic roles and Miliza Korjus and George Rouston do the singing. Miss Korjus has been in Hollywood two years preparing for her screen debut and has lost forty-five pounds by dieting and exercising.

Pat O'Brien, free lance movie actor, is suing Warner Bros., because he contends that they keep other studios from employing him under his real name because of the more popular actor of the same name. The first Mr. O'Brien claims that he has been in the movies longer than the famous Pat O'Brien and that he is entitled to use his own name.

Two western towns are fighting it out over location troupes of western pictures. Lone Pine is spending \$10,000 to construct a street of a frontier town in her community. They hope to rent it for \$100 a day and figure that almost \$2,000 a day will be spent by the movie folks while they are on location. When Kernville, the other town, finds out about this, they may decide to spend some money, also.

TO A LITTLE BOY.

A little boy came on my way,
And flashed dark eyes on me;
Whose deep, bright wells in youth's glad day,

In those sweet orbs I see.
A youthful figure small and thin,
Bends here and there in play;
I often watch that body slim,
Dancing like winds in May.
What will the future years soon bring,

To him, fortune or fame?
What of it, in joy let him sing,
A Garland round his name.
O boy, could you but understand,
How great my love for you;
I'd sing your praises thru the land,
And joy you joy you strew.

SOUTHERN BELL TELEPHONE AND TELEGRAPH CO. INCORPORATED

STARS OF SCREEN, STAGE, OPERA AND RADIO GLITTER IN

"Goldwyn Follies. Lavish Technicolor Musical at A. & G. Sunday and Monday.

Presenting a dazzling array of stars and a variety of talent that staggers the imagination, "The Goldwyn Follies," the glorious Technicolor musical extravaganza which marks the first entertainment in Goldwyn's 25 years of picture-making to carry the producer's name, begins a two day engagement at the A. & G. Theater on Sunday and Monday.

The musical, which also marks the producer's swing to the color standard, has been produced on a scale more magnificent than anything the screen has ever known.

Goldwyn invaded every field of entertainment to find stars to augment the screen cast headed by suave Adolphe Menjou, The Ritz Brothers and the beautiful, rising young star, Andrea Leeds.

Parade of Stars

From radio he took Edgar Bergen and Charlie McCarthy, the comedy sensation of the world; Kenny Baker, Jack Benny's silver-voiced romanticist; irrepressible Phil Baker and his accordion; from grand opera, lovely Helen Jepson and the sensational newcomer, Charles Kulaman; from the world of the dance, the beautiful Zorina and George Balanchine's American Ballet of the Metropolitan Opera; and from musical comedy goggle-eyed Bobby Clark to clown with Petite Ella Logan.

Then there are the hand-picked Gorgeous Goldwyn Girls as well as Hollywood's 12 loveliest and most talented tap dancers, Jerome Cowan, Nydia Westman, Frank Shields and a hundred more who fit into the pattern of one of Ben Hecht's best stories—a comedy of Hollywood which casts Menjou as a film producer out of touch with his public, and Andrea Leeds as the typical American girl whom he hires as "Miss Humanity" to keep him posted on what the public wants.

Gershwin Song Hits

"The Goldwyn Follies" boasts the last and perhaps greatest score

Superior St. John The Baptist To Leave For Bourg, France.

Mother St. John the Baptist, superior, St. Joseph Academy, Bay St. Louis, with a group of other sisters, including her immediate predecessor, Mother Evelyn, will sail on Saturday of this week for Bourg, France, where the mother house of the Sisters of St. Joseph is located, and plans to be back in Bay St. Louis by the latter part of August.

The general conference to be held at Bourg is to elect a Superior General for the entire order, the present head, reached the age of 75 years, recently indicated her desire to retire from active executive duties and asked that a successor be named. It is for this purpose many sisters of the order from this country will assemble in the French town and attend this all-important executive meeting.

Shipyard industry is warned by Admiral Land to expand to meet huge building program.

written by the late George Gershwin, studied with several very singable song hits, including "Love Walker In," "I Was Doing All Right," "I Love to Rhyme," and "Love Is Here to Stay." The lyrics are by Ira Gershwin.

The music for the beautiful ballet numbers, as well as the hit song, "Spring Again," is by Vernon Duke. The ballets were conceived and staged by George Balanchine. The Ritz Brothers specialties and songs including the hilarious "Pussy, Pussy," are by Sid Kuller and Ray Golden.

Richard Day designed the breathtaking, while the eye-tiring costumes are the work of Omar Kiam. "The Goldwyn Follies" was directed by George Marshall for release through United Artists.

REGULAR MONTHLY MEET CO. BOARD SUPERVISORS.

MAY MEETING, A. D. 1938.

STATE OF MISSISSIPPI
COUNTY OF HANCOCK.

Be it remembered that a regular meeting of the Board of Supervisors of Hancock County, State of Mississippi, was begun and held at the Courthouse of said County in the City of Bay St. Louis, on Monday, May 2nd, 1938, at 9:00 o'clock A. M., the same being the time and place for the holding of said meeting. There were present, to-wit: Chas. B. Murphy, president of said Board; Calvin Shaw, John B. Wheat, Jack Lott, and T. E. Kellar, members; Claud Monti, Sheriff of said County, and A. G. Favre, Clerk of said Board.

It was moved by Supervisor T. E. Kellar, and seconded by Supervisor John B. Wheat, and was unanimously carried that the petition of Edward I. Jones, et al, asking the Board for an election on the question of the issuance of Road Protection Bonds in the sum of amount of \$75,000.00, be received and filed and laid over for further consideration by this Board until Friday morning, May 6th, 1938.

Be it ordered by the Board that the salary of Agnes Bourgeois, clerk for the County Agent be and the same is hereby fixed at \$50.00 per month.

Be it ordered by the Board that the County sell to August Moran the old Republic Truck owned by the county at and for the sum of \$15.00 cash. The said amount to be deposited to the credit of the General County Fund, when the same is paid into the County Treasury.

Be it ordered by the Board that the Board adjourn until Friday morning, May 6, 1938, at 9:00 o'clock A. M.

CHAS. B. MURPHY, President.
Friday morning, May 6th, 1938, at 9:00 o'clock A. M. Board met pursuant to adjournment, present as on May 2nd, 1938.

Be it ordered by the Board that the matter of the petition of Edward I. Jones, et al, asking the Board for an election on the question of the issuance of Road Protection Bonds in the sum of amount of \$75,000.00 be continued to be heard on Wednesday, May 11th, 1938.

Be it ordered by the Board that the Board adjourn until Wednesday morning May 11th, 1938 at 9:00 o'clock A. M.

CHAS. B. MURPHY, President.
Wednesday morning, May 11th, 1938 at 9:00 o'clock A. M., the Board met pursuant to adjournment, present as on May 6th, 1938.

The Board took up for consideration the matter of issuing Road Protection Bonds of Hancock County in the amount of Seventy-Five Thousand Dollars (\$75,000.00), pursuant to a resolution adopted by the Board on the 11th day of April, 1938. Whereupon, Supervisor Wheat offered and moved the adoption of the following resolution:

A resolution authorizing and directing the issuance of Road Protection Bonds of Hancock County, Mississippi in the amount of Seventy-Five Thousand Dollars (\$75,000.00) for the purpose of protecting the Seawall and Road Protection structure of said County by extending, constructing and repairing the same by means of pumping a sand beach adjacent thereto, and to purchase a dredge boat to be used and operated for that purpose.

Whereas, heretofore, to-wit: on the 11th day of April, 1938, the Board of Supervisors of Hancock County, Mississippi, proceeding under the authority of Section 6931 of the Mississippi Code of 1930, as amended by Senate Bill No. 543 of the Legislature of the State of Mississippi, approved March 18th, 1938, did adopt a certain resolution entitled:

"A resolution declaring the intention of the Board of Supervisors of Hancock County, Mississippi, to issue Road Protection Bonds of the County in an amount not exceeding Seventy-Five Thousand Dollars—(\$75,000.00) for the purpose of protecting the seawall and road protection structure of the county by extending, constructing and repairing said sea wall and road protection structure by means of pumping a sand beach adjacent thereto, and to purchase a dredge boat to be used and operated for that purpose."

Whereas, pursuant to said resolution, and as required by the aforesaid statute, the Clerk of this Board did cause the said resolution to be published at length in The Sea Coast Echo, a weekly newspaper published and having a general circulation in Hancock county, Mississippi, and

Whereas, said resolution was published in two consecutive weekly issues of said newspaper; said publications having been made on the 15 and 22nd days of April, 1938, as shown by the publisher's affidavit and proof of publication now on file with the Clerk of this Board and now before this Board; and

Whereas, this Board now finds that, within fifteen days after the first publication of said resolution and order, a petition was filed with this Board requesting this Board to call and hold an election to determine whether or not the adoption of said resolution and order should be annulled; which said petition purported to be signed by twenty-five per centum (25 per cent) of the qualified electors of Hancock County; and

Whereas, this Board has examined the signatures attached to said petition and has also examined the list of qualified voters of said county as shown by the registration list of qualified electors prepared and purged by the County Board of Election Commissioners of Hancock County; and

Whereas, this Board finds from the aforesaid examinations that although said petition bears the signatures of Seven Hundred-Seventy-six (766) persons, only Four Hundred-Seventeen (417) thereof are qualified electors of said county appearing in the aforesaid registration list; and

Whereas, according to the aforesaid registration list, there are now Twenty-Four Hundred Thirty-nine (2439) qualified electors residing in said Hancock County; and

Whereas, the number of qualified electors whose names are attached to the aforesaid petition, to-wit: Four Hundred Seventeen (417), does not constitute twenty-five per centum (25 per cent) of the qualified electors of said County; and

Whereas, this Board does now find and determine that no petition, signed by twenty-five per centum (25 per cent) of the qualified electors of Hancock County has been filed with this Board requesting this Board to call and hold an election to determine whether or not the adoption of the aforesaid resolution and order should be annulled;

Whereas, it is provide by the aforesaid statute and by the aforesaid resolution and order that if no such petition be presented within fifteen days after the first publication of such resolution and order, then such resolution and order shall be valid and effective; and

Whereas, in the absence of any such petition under and by virtue of the aforesaid statute, this Board is now authorized and empowered to borrow the sum of Seventy-Five Thousand Dollars (\$75,000.00) for the aforesaid purposes, in addition to any funds heretofore borrowed for road protection purposes by said County, and is authorized to evidence such loan by the issuance of Road Protection Bonds of said County, which said loan shall not be subject to other limitations, restrictions or provisions of the general laws of Mississippi covering the borrowing of money, amounts of indebtedness, county budget or elections; and

Whereas, said Board of Supervisors does now find and determine that no funds have heretofore been borrowed under the aforesaid statute and that it is now necessary to proceed to borrow the sum of Seventy-Five Thousand Dollars (\$75,000.00) for the aforesaid purposes, which does not exceed the amount which the county is authorized to borrow for said purposes under said statute:

Now, Therefore, be it resolved and ordered by the Board of Supervisors of Hancock County, Mississippi, as follows:

Section 1. That, proceeding under the authority of Section 6931 of the Mississippi Code of 1930, as amended by Senate Bill No. 543 of the Legislature of the State of Mississippi, approved March 18th, 1938, there shall be and there are hereby authorized, ordered and directed to be issued the Road Protection Bonds in the amount of Seventy-Five Thousand Dollars (\$75,000.00), for the purpose of protecting the seawall and road protection structure of said County by extending, constructing and repairing the same by means of pumping a sand beach adjacent thereto, and to purchase a dredge boat to be used and operated for that purpose.

The said Road Protection Bonds shall bear date of May 1, 1938, shall bear interest at the rate of five per centum (5 per cent) per annum, payable November 1, 1938, and semi-annually thereafter on May 1st and November 1st of each year until the principal of said bonds shall have been fully paid, but no interest shall accrue on said bonds after the respective maturity dates thereof unless said bonds be presented for payment at maturity and be not then paid. Interest accruing on said bonds on and prior to the respective maturity dates thereof shall be payable upon presentation and surrender of interest coupons to be attached to said bonds, as said coupons respectively become due. Both principal of and interest on said Road Protection Bonds shall be payable in lawful money of the United States of America at the County Depository of Hancock County in the City of Bay St. Louis, State of Mississippi. The said Road Protection Bonds shall be of the denomination of One Thousand Dollars (\$1,000) each and shall be numbered and shall mature, without option of prior payment, in the amounts and at the time following, to-wit:

Bond Numbers, amount, maturity:
1 to 6, incl. \$6,000—May 1, 1938
7 to 12, incl. 6,000—May 1, 1940
13 to 19, incl. 7,000—May 1, 1941
20 to 26, incl. 7,000—May 1, 1942
27 to 33, incl. 7,000—May 1, 1943
34 to 41, incl. 8,000—May 1, 1944
42 to 49, incl. 8,000—May 1, 1945
50 to 57, incl. 8,000—May 1, 1946
58 to 66, incl. 9,000—May 1, 1947
67 to 75, incl. 9,000—May 1, 1948

Section 2. That the said Road Protection Bonds shall be executed by the signature of the President of the Board of Supervisors of Hancock County, Mississippi, countersigned by the signature of the Clerk of said Board under the seal of said Board of Supervisors and, for that purpose, the seal of the Chancery Court of said county is hereby adopted as and for the seal of said Board of Supervisors. The interest coupons to be attached to said bonds shall be executed by the facsimile signatures of said officers, which said facsimile signatures the said officers shall, by the execution of said bonds, adopt as and for their own proper signatures, respectively; and the said bonds and coupons shall be in substantially the following form, to-wit:

UNITED STATE OF AMERICA
STATE OF MISSISSIPPI
COUNTY OF HANCOCK

5 PER CENT
ROAD PROTECTION BOND OF 1938

No. _____ \$1,000.00
The County of Hancock, in the State of Mississippi, acting herein by and through the Board of Supervisors of said County, its governing authority, acknowledges, hereinafter, and for value received, hereby promise to pay to bearer the sum of

ONE THOUSAND DOLLARS (\$1,000.00) on the first day of May,

19____, with interest thereon from date hereof at the rate of five per centum (5 per cent) per annum, payable November 1, 1938, and semi-annually thereafter on May 1st and November 1st in each year until said principal sum shall have been paid, provided, however, that no interest shall accrue on this bond after the maturity date hereof unless this bond be presented for payment at maturity date hereof shall be payable upon presentation and surrender of interest coupons hereto attached as they severally become due.

Both principal and interest on this bond are payable in lawful money of the United States of America at the County Depository of Hancock County, in the City of Bay St. Louis, State of Mississippi, and the interest thereon, according to the terms hereof, the full faith, credit and resources of said County of Hancock are hereby irrevocably pledged.

This bond is one of a series of Seventy-five (75) bonds, all of like date, tenor and effect, except as to maturity, numbered from One (1) to Seventy-five (75) both inclusive, aggregating Seventy-Five Thousand Dollars (\$75,000), issued under the authority of the Constitution and Statutes of the State of Mississippi, including among others, Section 6931 of the Mississippi Code of 1930, as amended by Senate Bill No. 543 of the Legislature of the State of Mississippi, approved March 18th, 1938, for the purpose of protecting the sea wall and road protection structure of said County by extending, constructing and repairing the same by means of pumping a sand beach adjacent thereto, and to purchase a dredge boat to be used and operated for that purpose, and is issued under and pursuant to resolutions duly adopted and proceedings legally had by the Board of Supervisors of said County.

It is hereby certified, recited and represented that all acts, conditions and things necessary to be done precedent to and in the issuance of this bond, in order to make the same legal, valid and binding obligation of said County, have been done, have happened and have been performed in due and regular form and manner, as required by law; that this bond and the interest thereon, together with all other bonds and coupons forming a part of this issue, are payable out of an excise tax on the distribution of gasoline in said County, and other revenues as provided by Chapter 165 of the Mississippi Code of 1930, including an ad valorem tax on all of the taxable property of and within Hancock County, Mississippi, as authorized by said Chapter; and the issue of bonds of which this bond is one, together with all other indebtedness of said County, does not exceed any limitation prescribed by the Constitution and Statutes of the State of Mississippi.

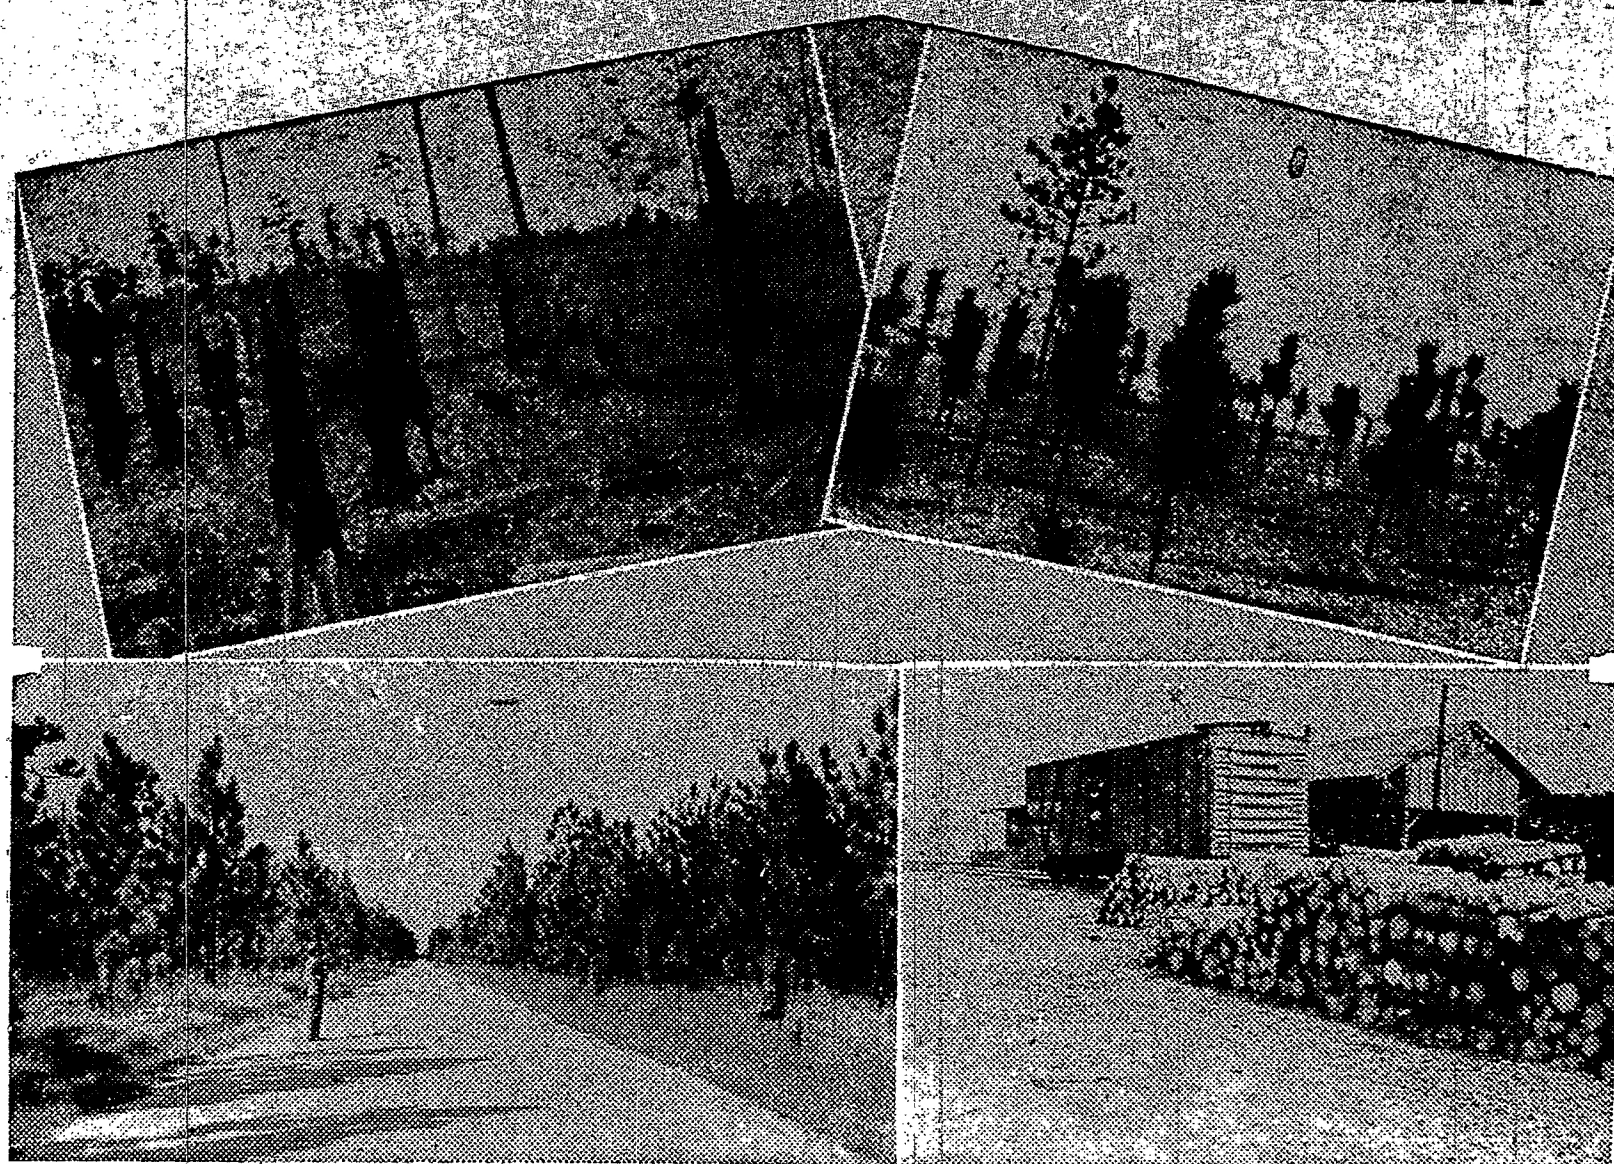

In testimony whereof, the County of Hancock, in the State of Mississippi, has executed this bond by causing it to be signed by the President of the Board of Supervisors of said county, countersigned by the Clerk of said Board, under the seal of said Board, and for the purpose of the execution of this bond, the seal of the Chancery Court of said County is hereby adopted as and for the seal of said Board of Supervisors, and has caused the annexed interest coupons to be executed by the lithographed facsimile signatures of said officers, and this bond to be dated the first day of May, 1938.

SCENES OF INTEREST—REFORESTATION IN MISSISSIPPI

Top Left—More timber is destroyed by fire each year in Mississippi than is cut and marketed.
Top Right—17,000,000 acres of Mississippi land are better suited to reforestation than to crops.
Lower Left—Intelligent forestry such as this means a perpetual yield of \$24,500,000 worth of pulpwood per year.

Lower Right—More than half of the pulpwood being cut in Mississippi today is shipped to miles outside the state. Mills hesitate to come into an area where reforestation does not insure permanent supply.

19____, with interest thereon from date hereof at the rate of five per centum (5 per cent) per annum, payable November 1, 1938, and semi-annually thereafter on May 1st and November 1st in each year until said principal sum shall have been paid, provided, however, that no interest shall accrue on this bond after the maturity date hereof unless this bond be presented for payment at maturity date hereof shall be payable upon presentation and surrender of interest coupons hereto attached as they severally become due.

Section 3. That in order to make provision for the payment of the principal of and the interest on the said Road Protection Bonds of 1938 as the same respectively mature and accrue, the said County of Hancock, acting herein by and through the Board of Supervisors of said County, does hereby irrevocably pledge and dedicate the following revenues and taxes:

(a) All of the funds received by Hancock County, Mississippi, from the State of Mississippi, under and by virtue of Section 6929 of the Mississippi Code of 1930, including any other funds collected by the State of Mississippi in said County and allotted by law to said County for road purposes, or so much thereof as may be necessary to provide for the payment of the principal of and the interest on the bonds herein authorized to be issued.

(b) All of the avails of an excise tax in addition to any such tax levied and collected by the State of Mississippi, on each gallon of gasoline distributed in said County, under and by virtue of Section 6930 of the Mississippi Code of 1930, and said Board of Supervisors does hereby covenant and pledge that, so long as any of the bonds herein authorized to be issued shall remain outstanding and unpaid, the aforesaid excise tax on the distribution of gasoline shall be levied and collected at a sufficient rate per gallon required to pay the aforesaid bonds at maturity and the interest thereon as it accrues, after making allowance for the funds received by the County and pledged under paragraphs (a) and (b) above.

(c) All of the avails of an annual special ad valorem tax to be levied upon all taxable property of and within Hancock County, Mississippi, without limitation as to rate or amount, which it may become necessary to levy and collect in order to provide for any deficiency in the revenues pledged under paragraphs (a) and (b) above, and the said Board of Supervisors does hereby covenant and pledge that such levy shall be made whenever and as often as it may be necessary in order to provide for the payment of the bonds herein authorized to be issued and the interest thereon, all as provided by Section 6928 of the Mississippi Code of 1930 and by Chapter 143, Laws of Mississippi, 1934, as amended.

Provided, however, that the aforesaid pledge and dedication of revenues shall be subject, but subject only, to the prior pledge and dedication of said revenues to the payment of Road Protection Bonds and Road Protection Refunding Bonds of said County issued, or authorized to be issued, prior to the issuance of the bonds herein authorized.

Section 4. That all of the revenues and taxes pledged and dedicated in Section 3 of this resolution, except so much thereof as may be necessary to provide for the payment of principal of and interest on previously issued or authorized Road Protection Bonds and Road Protection Refunding Bonds of said County, shall be credited to a special account to be held solely for the redemption of the bonds herein authorized to be issued and for the payment of the interest thereon as it accrues.

Section 5. That the Road Protection Bonds of 1938 herein authorized to be issued shall be validated under the provisions of Chapter 165 of the Mississippi Code of 1930, and to that end the Clerk of this

Board is hereby authorized to make up a transcript of the proceedings had in this behalf and to certify same to the State's Bond Attorney.

Section 6. That when the said bonds shall have been prepared and executed as in this resolution directed, they shall be registered by the Clerk of this Board in a book kept in his office for that purpose, as required by law, and the said Clerk shall endorse upon the reverse side of each of said bonds a certificate in substantially the following form:

STATE OF MISSISSIPPI
COUNTY OF HANCOCK, ss.
I, A. G. Favre, Clerk of the Board of Supervisors within and for the County of Hancock, in the State of Mississippi, do hereby certify that the within bond has been registered in a book kept for that purpose in my office as required by law.

I do further certify that the within bond has been validated and confirmed by decree of the Chancery Court of Hancock County, Mississippi, rendered on the _____ day of _____, 1938.

Witness my hand and the seal of my office at Bay St. Louis, Mississippi, this _____ day of _____, 1938.

Clerk of the Board of Supervisors, Hancock County, Mississippi.

Section 7. That this resolution and order shall be in force and effect from and after its adoption.

Supervisor Shaw seconded the motion to adopt the foregoing resolution and the question being put to a roll call vote, the result was as follows:

Supervisor Murphy, voted aye.
Supervisor Wheat voted aye.
Supervisor Shaw voted aye.
Supervisor Kellar voted aye.

The motion having received the affirmative vote of all of the members of the Board of Supervisors, the President declared the motion carried and the resolution adopted. May 11th, 1938.

THE BACK-BITER

A man maligned my name today.
The words he said I'd blush to say.
At first it set, my soul a-flame,
His touch of tarnish on my name.

I knew that every word he said
Was born of hatred, reeking red.
I also knew that not a thing
That I had done deserved his sting.

I, therefore, simply bit my lip
To give myself a firmer grip
Upon my tongue and temper, too,
Until my anger cooler grew.

The tempest past, I weighed each word
Of slimy censure I had heard,
And found beneath the putrid pile
A bit of reason for his bile.

He had not fully understood
His judgment, as a rule, was good.
Like most of men, both great and small,
He lost his temper, that was all.

Of course, he should have held his tongue
Until he knew; but he was young,
And blood ran hot in ardent youth.
Too hot to vit for tardy truth.

He did not hurt my name a bit.
No doubt, he is ashamed of it.
A lesson, too, he may have learned
From ugly slander, unreturned.

I'm very glad I did not show
My gusty temper's torrid glow.

State Goes Fancy With Auto Plates; 1939 Ones Yellow.

Mississippi is going in for fancy colors in auto plates.
Next year's car tags will be a dazzling canary yellow. Numerals will be in black.

The contract for 368,120 tags for 1939 was awarded today to the Columbus Marble Works of Columbus, Miss. The company's bid of \$19,326.30 was over \$2,000 lower than the next bid, of the S. G. Adams company, St. Louis.

The Columbus firm has manufactured Mississippi's tags for the past four years.
The manufacturers price on each 1939 tag will be 5 1/4 cents. The tags sell to the motorist for \$1 (in addition to tax). The profit will go to support the new state highway patrol and anything left goes into the highway commission maintenance fund.

GULF THEATER TEAM BOWS TO SHELL PETS.

Gulf Theater softball team lost to Shell Petroleum after a hard battle. Bob Condon made a spectacular pot out at home plate receiving a long throw from Chester Bourgeois in mid-field for a split-second tag at home plate which stopped a home run and leaving the score 2-2. This play will go down in Gulf Theater history in the Hancock County league. Bob Condon also added glory to himself at other times during the game. Westley Bourgeois deserves honorable mention for the finest 12 innings of perfect pitching. Other outstanding players of the night were Sidney Bourgeois, Fred Bourgeois, Mr. "Toody" Carver and Turner Soldini. The sponsor Ed Ortte wishes to

ED. LIPSCOMB'S RESOURCEFULNESS.

DIRECTOR Ed Lipscomb of the Mississippi Advertising Commission, has recently issued a very handsome folder entitled "Mississippi," giving scenes of old as well

as "new" Mississippi—scenes at Jackson, at Natchez and in the National Military Park at Vicksburg. Then follows typical cotton field scenes, sports scenes, hunting, fishing, swimming, boating, bicycling, and many other beauty spots of the Magnolia State.

In today's letter we are presenting a few more items of Director Lipscomb's paragraphs of news interest, relative to some of Mississippi's distinctive features, as follows: Mississippi, shipments of fruits and vegetables by motor truck increased more than 100 per cent in 1937.

Mississippi farmers marketed approximately 2,400,000 melons during the 1937 season.

Mississippi's 1937 pecan crop of 7,500,000 pounds was 70 per cent greater than the five-year average.

MOTOR TAGS FOR NEXT YEAR.

The Motor Vehicle Tag Commission, composed of Attorney General Greek L. Rice, State Auditor Carl Craig and State Treasurer, Newton James, received bids on Tuesday for the purchase of the 1939 automobile and truck tags. There were four bids filed, and when canvassed, a contract was awarded to the Columbus Marble Works, which firm has furnished the Mississippi tags for past three or four years. The total number purchased amounted to 368,120, comprising the following: Passenger vehicle tags—220,000; truck tags—101,500; bus tags—1,150; School bus tags—5,000; taxi cab tags—3,000; passenger coach tags—850; ambulance and hearse tags—1,200; dealers tags, both regular and motorcycle tags—4,000; dray tags—2,800; motorcycle tags—600; trailer tags—11,200; sample tags—300; Substitute tags, all kinds—3,370. The tags and envelopes, ready for mailing, cost 5 1/2 c each or a total of \$19,326.30. Delivery is required by September 15th.

FILING OF OLD NEWSPAPERS.

For several weeks a group of workers from the W. P. A. have been busily engaged in collecting old newspaper files for the last thirty-five years and binding these into annual files, in the Department of Archives and History, under the direction of Dr. Wm. D. McCain. When this work is completed, there will be some 2000 volumes of these files—one of the largest newspaper collections in the world, and certainly the largest and best in Mississippi.

CATALOGUING OF ARCHIVE RECORDS.

Very recently, Dr. McCain succeeded in enlisting the aid of W. P. A. workers in two other projects, to wit: One group in cataloging all material in the Department of Archives and History, comprising books, magazines, pamphlets, documents and records, and arranging card indexes of these, with expense to the State, except material, which cost will be merely nominal. When this is completed, the Director and his staff of assistants will be able to find just what you ask for without delay. Another force of workers are engaged in making what is termed a Printing Survey of the State, which

FUNERAL OF VICTIM OF SELF-INFLICTED PISTOL SHOT IN LA.

Earl Russell, 39, Former Bay St. Louis Resident, Buried At Gulfport Saturday.

Earl Watkins Russell, aged 39, son of Chancellor and Mrs. D. M. Russell, who died instantly from a self-inflicted pistol bullet at his home in Shreveport, La., Thursday, was buried at Gulfport in Greenwood cemetery Saturday morning at 10:30 o'clock, from the residence of his parents, Judge and Mrs. Russell at 2020 Sixteenth street.

Pall bearers were Walter J. Gex, of Bay St. Louis; Roy Richardson, a brother-in-law, from Abbeville, La.; Oscar Cassibry, John W. Savage, B. K. Glenn and Michell Saloum, all of Gulfport.

The Rev. Henry T. Brookshire, First Baptist Church, Gulfport, was in charge of the funeral service, assisted by the Rev. Dr. W. A. McCracken, pastor of the Beach Baptist church and former pastor of Gulfport First Church.

An Associated Press dispatch tells of the tragedy occurring at the home of the Russells, where the family of husband and wife and two children resided. Mr. Russell was a registered pharmacist and as such resided in Bay St. Louis quite a while, engaged at the Beach Drug Store in his professional capacity. The family at first resided in the (Mrs.) L. M. Gex apartment and later in the Adam Loch cottage in Carroll avenue, near Beach front. Earl Russell was widely known over two states, and well liked. He had given up his work as pharmacist and lately had entered the insurance business in which pursuit it was reported he had met with success.

In addition to his immediate family, parents, brothers and sisters, the deceased is survived by paternal grandfather, who is over 80 years old.

is merely a survey of the printing industry in the State from its beginning when in 1797, Andrew Marschall published his ballad entitled "The Galley Slave," there being today no known copy of this ballad in existence. If you know of a copy, write Dr. McCain. He will appreciate it. This work of printing survey, is especially under the charge of Mr. Moreau Chambers, a valued assistant in the department.

S. J. A. Mothers' Club Holds Interesting Monthly Meeting.

Marked with an unusually large attendance, St. Joseph Academy Mothers' Club, held its regular (June) monthly meeting Thursday afternoon of last week, and proved a most interesting session, the activities and accomplishments of the organization the past year amply demonstrating the usefulness and well attesting to the value of the work.

Mrs. C. A. Gordon gave a full detailed report of money raised during the past school term, and thorough satisfaction was expressed. Mother St. John expressed appreciation and was profuse in her thanks to the band of workers for the many substantial and constructive objectives realized. In turn Mother St. John served refreshment to her guests of the afternoon.

It was voted and definitely decided to continue regular monthly meetings thru the summer months. The July meeting will be held at the residence of the president, Mrs. A. G. Favre, and the August meeting will be held at the home of Mrs. Claud Kohler.

SANDOZ—GUAGLIARDO

The marriage of Miss Josephine Guagliardo, daughter of Mrs. Marshall Chiniche and the late Mr. Frank Guagliardo and Mr. Rodney Sandoz, son of Mrs. L. B. Sandoz and the late Mr. L. B. Sandoz of New Orleans, was solemnized at Our Lady of the Gulf church, June 5th, with the Rev. Patrick Moran officiating. The bride was given in marriage by her brother, Mr. Sylvester Guagliardo, wore a blue lace afternoon dress with accessories to match and wore a corsage of pink rose-buds and lilies of the valley.

Miss Lucy Guagliardo was her sister's maid of honor. She wore a dress of biege tan and accessories to match and a corsage of pink rose-buds. Mr. Sandoz had as his best man, Mr. Dene Louapre, Jr., of New Orleans.

A reception was held immediately following the ceremony after which the couple left by motor on a week's trip to Mobile and on their return will be at home at 2656 Ursuline avenue, New Orleans.

Mrs. Ida Shiyou, Native of Kiln, Dies at Picayune.

Mrs. Ida Shiyou, wife of M. C. Crane, died at her home at Picayune, Monday, June 6, 1938, at 9:30 o'clock p. m., aged 33 years, following an illness. She was born at Kiln, Hancock county and was a daughter of William Shiyou and his wife, Mary Necaise.

The deceased was married to Mr. Crane December 24, 1935, who survives his wife, in addition to brothers, Hubert Shiyou, Crayton Shiyou, and a half brother, Jesse Favre. No sisters.

Funeral took place Monday afternoon, the Rev. Father Danis of Kiln Catholic church officiating, interment at Bayou Coco cemetery at Kiln.

Pall bearers were C. W. Baxter, A. E. Tisdale, W. A. Glover, James R. Glover, Douglas Crane and A. G. Davis. Funeral arrangements by McDonald Funeral Home, Picayune.

Loud Speaker For Local Catholic Church Installed in Pulpit.

As stated in The Echo last week that a subscription was in circulation seeking funds to install a loud speaker for the pulpit of the Church of Our Lady of the Gulf, this improvement was installed and used for the first time last Sunday in the church, and proved quite a success. This equipment was necessary in order to overcome the faulty acoustics of the building in addition to the fact of its vastness.

Gaston Telhiard, with commendable enterprise, solicited the funds by public subscription, and George di Benedetto, local electrician, did the work of installing. The gadget is set up on the edge of the pulpit hand rest and carries the voice of the speaker to the utmost recesses of the church with clarity. Live electric current furnishes the power to the transmitter.

Creation of separate army unit to control transportation of men and supplies is urged.

MRS. JNO. A. GREEN AND MISS GREEN GIVE LUNCHEON.

MRS. John A. Green and lovely daughter, Miss Margaret, entertained recently at a luncheon at their home on South Beach Boulevard in honor of Miss Louise Carriere a bride-to-be of this month. The dining room was profusely decorated with clusters of white gladioli, white stock and white oleander. The color scheme was white and silver. The table with its center piece of double white gladioli, its white mints decorated with sprays of orange blossoms and place cards of silver brides was very lovely. The favors were small silver baskets. Miss Carriere was presented by the hostesses with a corsage of white roses, and an exquisite white satin sachet. Miss Carriere was wearing a very attractive yellow swiss frock. The guests were Mrs. Samuel McConnell, Mrs. Frederic Toledano, Miss Catherine Briede. Those motoring over from New Orleans for the event were Mrs. Leroy Staples, Mrs. Louis B. Claverie, Misses Irene Marrero, Marguerite Camban and Betty Ricau. This was one of the functions of the series of many given in compliment to Miss Carriere, a much-lamented bride-to-be.

Following the statistical part of the report the following formed the general report of work done during the year:

In addition to our usual work of caring for the sick and needy, St.

this week at the Robin home in Beach Estates in compliment to Dr. and Mrs. R. W. Gaston and their house guests.

Margaret's Daughters sponsored a WPA lunch room project for our Catholic school children. From Feb. 1st to June 6th, 1937 we averaged 42 lunches daily or 210 for week of 5 days. During said period we served 3870 lunches, consisting of one hot dish, glass of milk, bread and fruit to each child.

During vacation we supplied the WPA workers with vegetables and fruit for canning purposes and they put up 800 cans of different vegetables and fruit for the lunch room.

On Sept. 5 lunches were resumed and we averaged 90 children daily or 450 each week - 40 of which paid 5 cents per lunch and 50 were given free lunches from Sept. 5th to Dec. 21st. We served 7600 lunches and on Dec. 22 we served 125 children with a real turkey Xmas dinner with all the trimmings. Our splendid work consisted of a catechetical class conducted by Mrs. C. A. Gordon.

22 boys and girls attending public school were instructed from Jan. 1st to May 9th and they received their first holy communion on May 9th, 1937. At the close of the class we entertained the class at a party, games were played and ice cream, cake and candy were served. Appropriate prizes were given to lucky winners.
